Re: 2017 Asset Groupings

The attached report provides the annual BC credit union asset groupings for 2017. The results are based on credit union's annual filings at its fiscal year-end. Please note that certain credit unions and their asset groupings have been adjusted accordingly. The results are summarized below:

Table with 5 columns: Asset Group, 2017 Total Asset Groupings, No. of Credit Unions, Total Assets (\$), and Total Assets (%). Rows include categories from \$5 billion or more down to less than \$100 million, plus a System total row.

A copy of these results, as well as a comparison of the 2016 results, is available on FICOM's website under Financial Institutions/Industry Correspondence/Credit Unions.

If you have any questions regarding the 2017 asset groupings please contact Tunde Szinku at Tunde.Szinku@ficombc.ca.
